

Mayne Pharma Acquires Teva/Allergan Products.

As part of the largest generic pharmaceutical divestiture overseen by the Federal Trade Commission, Mayne Pharma has acquired the largest share — 42 generic products — from Teva and Allergan. Mayne Pharma will assume ownership of these Teva/Allergan products on August 3, 2016.

All you need are the new NDC numbers

Urgent: Please link to the new Mayne Pharma NDC numbers to ensure a smooth transition for your patients.
