

TONI NESCI NAMED HEAD OF MAYNE CONTRACT SERVICES AND NEW WEBSITE LAUNCHED

3 June 2020, Adelaide Australia: Toni Nesci has been appointed Head of Mayne Contract Services, a division of the Mayne Pharma family. Mayne Contract Services, based in Salisbury, South Australia is the full-service pharmaceutical development and manufacturing business unit created to serve clients worldwide by leveraging more than 40 years of scientific expertise in developing complex oral and topical dose forms.

Mayne Pharma President of International Operations Stefan Cross said, “Toni’s appointment comes as the Company is experiencing strong growth in new clients and projects. Mayne Pharma has a long-standing reputation for world class product development and leadership, and we will continue to deliver on those promises for our clients.”

Toni has over 20 years of pharmaceutical industry experience across strategy, business development, project management and new product launch. She has held a variety of roles at Pfizer and Hospira and most recently supported the successful launch of several US and global products at Pfizer. Educated in Adelaide, Mayne Pharma is delighted to return Toni’s global industry experience to South Australia.

The Company launched a new website this week for Mayne Contract Services (www.maynecontractservices.com) showcasing the development and manufacturing capabilities of the Salisbury, South Australia facility.
