

## MAYNE PHARMA EXPANDS US DERMATOLOGY PORTFOLIO

---

**10 February 2022, Adelaide Australia:** Mayne Pharma Group Limited (ASX: MYX) is pleased to announce it has launched an authorised generic (AG) of one of the largest dermatology products in the United States. According to IQVIA, the annual US market sales were more than US\$250 million for the twelve months ending December 2021<sup>1</sup>.

Mayne Pharma's CEO Scott Richards said, "This product is expected to be another important addition to our US product portfolio and be a meaningful contributor in the 2HFY22 given current competitive market dynamics. Mayne Pharma continues to expand its dermatology portfolio offering patients more affordable and accessible ways to receive their medication."

Mayne Pharma entered into a license and supply agreement with one of the largest dermatology companies to distribute this product in non-retail channels.

"This partnership further validates our ability to successfully execute on new dermatology product opportunities. Mayne Pharma has recently partnered with a number of leading pharmaceutical companies including Sandoz, Upsher Smith, Cosette, Encube and Torrent."
